Thank you to the
following sponsors
of the
**Landing Community
News:**

Westcoast CED

Community & Economic Development
Consulting

- ◆ Spaces in the hall are limited and will be allotted on a “first come, first served” basis.
- ◆ Set up will be on Friday, March 28, 6 pm – 8 pm. Consignors must be ready in their space just prior to 8 am on Saturday morning. It would be appreciated if Consignors would assist in putting away the tables and chairs after the Sale.
- ◆ The Association will be responsible for the advertising, and will supply coffee and cookies.

To book a space, call **Joyce 549-5117**

In Your Neighborhood

Plan to Paddle in Paddlewheel Park!

Would you like to try Outrigger Canoe Paddling in your own backyard? Just imagine the Polynesian style canoes on beautiful Lake Okanagan. Once in awhile we even find a bit of surf to carry us from Cameron Point right into Kin Beach. The **Vernon Racing Canoe Club** has programs for every level and every fitness. All equipment is provided by the club & included in your membership fees. The fleet of canoes includes one, two, and six person outrigger canoes that can be used on a flexible schedule.

Come on out and give us a try for a recreational paddle or a competitive event in your community. If you enjoy recreational or competitive water sports in the outdoors, this club has something to offer! Please take the time to browse our website for more information. We'd love to see you out on the water.

Watch for our Learn-to-Paddle programs on the Rec Centre website and in their brochures, or call Wayne Koole 550-7333 for all the information.

**The club compound is located at the west end of PaddleWheel Park near the tennis courts.
Paddling season runs from April to the end of September.**

**HAVE FUN, RACE HARD, AND ENJOY THE COMPANY OF YOUR CLUB MEMBERS.
THE PLEASURE IS IN THE PARTICIPATION!**

President's Report

Spring time is here! Although I enjoy looking over the Lake at the snowy Okanagan hillsides and I really do look forward to my weekend dog walks above Adventure Bay, I must admit that the lengthening and warming days are a nice change. My snow-blower got more use this winter than in the past several years combined. At the end of February, I took the Christmas lights off my sailboat and washed the decks in preparation to start sailing in early March—for what I'm sure will be a great season on the Lake. Another sure sign of spring is the onset of road works. Tronson Road is showing signs of becoming a wider and straighter route for those of us on the Adventure Bay side of the Lake. This spring, the Board of Directors will be hosting a **Landscaping Event** to upgrade the front of the Hall. We will welcome any green thumbs so watch for notices re: dates and times. Garage sales are another sign of spring and sure enough, on March 22nd, treasures of all sorts will be up for grabs at the Okanagan Landing Community **Garage Sale**. I hope all of you had a fine winter and will be able to join us as we celebrate spring time and prepare for another season in the Landing.

Dave Simpson

Station House Restoration Project Continues

The Station House Project continues. We are looking to individuals and the corporate and private sectors of our community to donate funds, labor, and materials toward this exciting project. If you are interested in being involved in the Station House Project in any way, please contact:

Barb Camalush at:
545-8319 or email bcamalush@shaw.ca.

Give us your feedback...

The Okanagan Landing & District Community Association Board of Directors would like to know what you think and what you would like to see take place in your community. **We appreciate your feedback.**

Age group(s): child ___ teen ___ 20-30 ___ 31-45 ___ 45-55 ___ 55+ ___

Have you attended Association events in the past? YES ___ NO ___.

If you answered YES, what events?

What were your impressions of those events?

What kind of events / activities would you like the Landing Association to offer?

Would you like to help out with events? YES ___ NO ___. Which one(s) _____

Name and phone number (optional): _____

Any other suggestions or comments?
