The term “smoking” is defined as: to inhale/exhale the fumes from burning of plant materials, including but not limited to tobacco and marijuana, or vaporizing of any liquid solution of these substances (e.g. e-cigarettes or “vaping”). We are also aligned with the City of Vernon Bylaw #5057 prohibiting smoking and vaping of any substance in public places such as Paddlewheel Park and boat launch.

Tips and Tricks – this information is for ALL the people helping you and providing services for you (e.g. caterer, wedding planner etc.).

Volunteers & vendors may attend the meeting to get the KEY.

The booking agent will explain rules & answer questions.

Make sure that you allow enough time in your rental to setup and take down.

Remind your vendors (caterers, DJs, etc.) they must be out by the end of your contract rental time.

Storage is not available before or after your event outside of your contracted rental time (incl. beverages, floral arrangements, equipment, vendors, etc.).

Decorate to make EXIT simple and set up with take down in mind (ripping down decorations may cause damage).

Organize take down duties - label bins and boxes & assign one group to remove décor followed by a group to clean and store tables/chairs to optimize your time.

12-20 helpers will be needed for a 100+ event, based on our experience. Make clean up fun & reward your volunteers. **CAUTION** at the end of the night you may find there are fewer people available for clean up so please be sure to assign responsible people willing to make sure the jobs are completed properly.

In case of emergency call the appropriate emergency service (911).

NOTE: The park is a public space and the picnic pavilion is first come first serve.
